***H&W Contracting is experiencing some relief from the intense groundwater conditions and is again progressing on the main sewer line. Current project scheduling anticipates a closure of the Radar Hill Road Crossing to begin on September 8th and last for a duration of 7 days.**

- Work continues in the Highway 1416 median between the South Gate Road and Radar Hill Road Intersections.
- Work will include activities next to Highway 1416, but all lanes will remain open.
- No road closures are anticipated during this week.
