

Highway 1416 Sanitary Sewer – Construction Update

09/11/2025

Project Summary: Upsize the sanitary sewer line from about Cottonwood Ave to West Gate Rd in the Highway 1416 median to support the growth of Box Elder

Contractor: H&W Contracting, LLC, Sioux Falls, SD
John Rennich, 605.339.8834

Engineer: KLJ Engineering, Rapid City, SD
Tim Hartmann, 605.872.5004

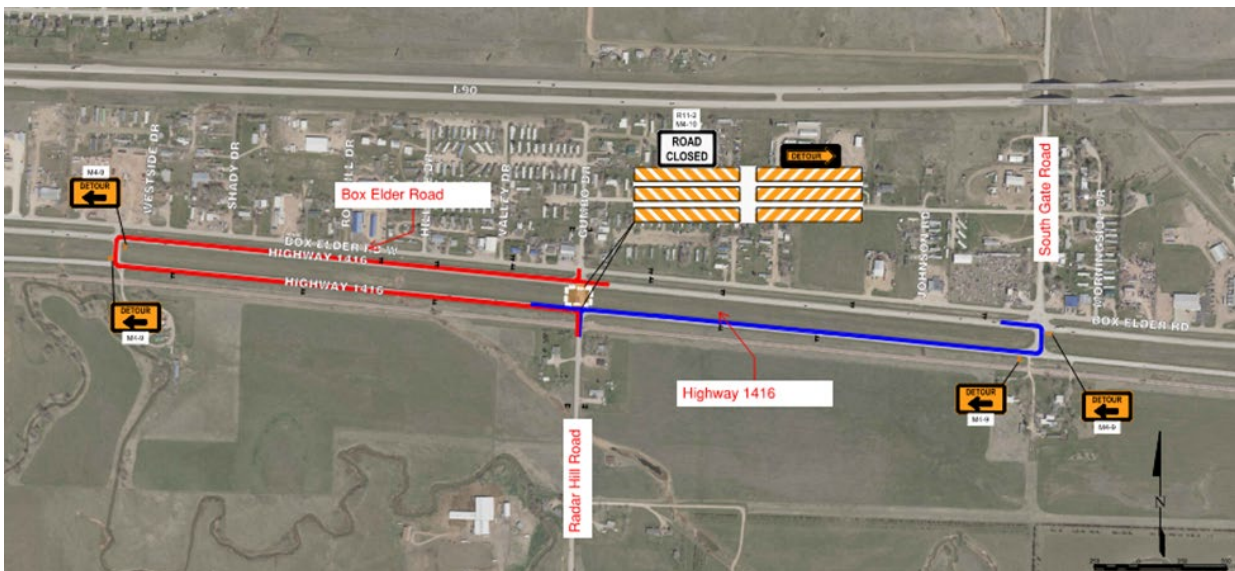

September 15th to September 19th:

- In the early parts of the week, work continues in the Highway 1416 median, approaching the Radar Hill Road crossing.
- *Important Note - Radar Hill Road and Highway 1416 crossover will tentatively be closed beginning Thursday, September 18th to reopen on or before Monday September 29th.
 - A detour from use of the crossover will be established as follows (see map below)
 - Westbound traffic to proceed East on Hwy 14/16 and turn back West at South Gate Road.
 - Eastbound traffic to proceed West on Hwy 14/16 and turn back East at next crossover.
- This detour and work will not affect passerby traffic on Highway 14/16.

September 22nd to September 27th:

- Work continues in the Radar Hill Road and Highway 1416 crossover with the roadway to reopen on or before Monday September 29th.
 - The detour from use of the crossover will continue this week as follows (see map below)
 - Westbound traffic to proceed East on Hwy 14/16 and turn back West at South Gate Road.
 - Eastbound traffic to proceed West on Hwy 14/16 and turn back East at next crossover.
- This detour and work will not affect passerby traffic on Highway 14/16.

Tentative Work Area – September 18th to September 29th:

Work Area – September 15th to September 17th:
